Springdale High School, Kalyani — *Higher Secondary*

2011 – 2013

Board	WBCHSE
Percentage of marks	73.8%

SKILLS

Languages

Java, Angular, Html, C

Databases

My SQL

EXTRACURRICULARS

Electronics enthusiast

I enjoy my free time exploring and learning with technologies.

Football Lover

I am an ardent follower of European Football.

LANGUAGES

English, Bengali and Hindi.

Springdale High School, Kalyani — *Madhyamik*

2005 – 2011

Board WBBSE

Percentage of marks 79.38%

PROJECTS

Smart Home Automation

AUGUST 2016 – MAY 2017

App made for Android to control home appliances *over Wifi* having *auto connectivity* feature.

Infosys Polycloud Platform

JUN 2019 – PRESENT

Users can access the application over internet. The platform makes managing the hybrid cloud infrastructure easy by providing a thin layer of abstraction over it to move applications, data in a secure and consistent manner. The key features includes:

Apification : Aids in easy implementation with external platforms/apps.

Orchestration Designer : Configure provisioning and lifecycle action workflows.
Support for multiple scripting options.

CaaS : Ability to provision and manage Kubernetes clusters on AWS and Azure.

Apart from these some other features are telemetry, analytics, adapter integrations.

TRAINING

Vocational Training in Advanced Telecom at Netaji Subhash Chandra

Bose Telecom Training Centre, BSNL

30 JUNE 2016 – 16 JULY 2016
