PROJECTS

XPBIDSFTPFEATURE (06/2020 - Present)

- Our platform empowers you to find and choose the right service provider for your project either small or complex. We want to make the process of repair, installation and services easy for you.

MenuVenu (10/2020 - 01/2021)

- MENUVENU Collections is where you'll find food for your lifestyle and choices. From plant based, to halal, to our amazing authentic and traditional recipes from our certified home cook in Mama's Kitchens, we try to bring you new options, more choices and exclusive delivery from their kitchen to your table

POS (01/2020 - 03/2020)

- The point of sale is the time and place where a retail transaction is completed. At the point of sale, the merchant calculates the amount owed by the customer, indicates that amount, may prepare an invoice for the customer, and indicates the options for the customer to make payment.

Bulbul (09/2019 - 01/2020)

- It's a category of integrated, data-driven software solutions that improve how you interact and do business with your customers. CRM systems help you manage and maintain customer relationships, track sales leads, marketing, and pipeline, and deliver actionable data.
