

OBJECTIVE

To take a challenging and high performance oriented role in the field of Computer engineering and implement the expertise and experience gained in this field to develop complex project with efficiency and quality.

SUMMARY OF QUALIFICATION

- Experience in Object-Oriented programming methodology /analysis.
- Experienced with REST API and JSON.
- Excellent debugging skills and ability to learn new technologies quickly.
- Experience in developing projects using AngularJS and MongoDB.
- Experience professional and results-oriented instructional designer/technical trainer/curriculum educator in both business and academic environments.
- Design and development of both instructor-led and e-Learning solutions for professional learners.
- Excellent verbal and written communication skills.
- Knowledge of "best practices" and current research in the use of technology to enhance teaching and learning.
- Excellent presentation skills and proficiency using presentation tools.
- Ability to provide training for student information systems, database reporting and retrieval system.
- Good team player and have excellent interaction skill to coordinate and work within a team.

WORK EXPERIENCE:

NIIT LTD (March 2012 - March 2018)

Technical Trainer (Tech Mentor)

- Developed both Front End & Back End applications using AngularJS, MongoDB, NodeJS, JavaScript, HTML, Bootstrap, Java.
- Supported and trained learners on learning technologies usage.
- Evaluated training programs and learning effects.
- Evaluated and graded assignments, tests and project work.
- Delivered classroom training on technology programs.
- Researched and developed ways to deliver training.
- Responded to training services queries.
- Planned & supervised work of students & monitored equipment operations.

- Integrated important information into training programs.
- Participated in seminars and training sessions.
- Documented all training activities.
- Liaised with end users to develop training services.

TECHNICAL SKILLS:

Technology	Tools
Programming Language:	C++, C#, ASP, ASP MVC, AJAX, JavaScript, HTML5, XML, Java, WPF, ADO.NET, Windows Store App Development, SAS, Angular JS, Node JS, REST API, JSON.
Frameworks/Web Technologies:	.NET Framework
Databases:	Microsoft SQL Server 2008,2012, MongoDB, Oracle.
Others:	MS-Office 2003/2007/2010/2013
Development/Productivity Tools	Microsoft Visual Studio 2010,2012

EDUCATION:

MSC-Computer Science (2009-2011) from IBMR College,Chinchwad with 62%

PERSONAL PARTICULARS

Date of Birth: 11th May 1988.

Sex: Female

Nationality: Indian

Marital Status: Married

Languages: English, Hindi, Marathi

Address: A2, Jai Maharashtra Housing Society, Suraiya Road, Bara
Bungalow, Lonavala 410401

DECLARATION

I hereby declare that the details furnished above are true to the best of my knowledge.

Place: Lonavala

(Swati Kashyap)
