

HIREN R. KANETIYA
Bachelor of Computer Engineering (B.E. in C.E.)

Mobile : 7600851617.

E-mail : erhirenkanetiya@gmail.com

EXPERIENCE SUMMARY

Experience:

Having overall experience of 1.10 years in Mobile Application Development and have worked on various projects. I take challenges as opportunities with a “Never Give-up Attitude”. I have consistently demonstrated abilities to meet tight schedules, work under pressure and deliver quality products to the client.

Skills In iOS Development:

- Understanding requirements and translate it into elegant functional solutions.
- Working with Foundation Framework, Cocoa Touch, Core Graphics, Core Animation, UIKit, Core Location and Core Data.
- Strong knowledge of Objective-C programming language and Basic Knowledge of Swift programming language.
- Basic Knowledge of WatchKit.
- Familiar with Project Tracking tools like Zoho, Jira,
- Create application using MVC architecture with using model class.
- Create Calendar application with event, reminder, alarm function
- Designing interfaces via auto layout, Size class ,storyboard, nibs, or programmatically.
- Application integration with Fabric, Crashlytics ,Google analytics
- Integrating third-party frameworks and libraries (like AFNetworking)
- Social Network Integration like Facebook, Twitter, Google+, LinkedIn etc.
- Web service(Rest and SOAP) integration, JSON parsing, XML parsing and SOAP parsing.
- Apple MapKit and Google Maps.
- Barcode scanner (ZbarSDK).

- Background processing.
- Have knowledge of core animations and gesture recognition.
- Push Notification service implementation Using APNS.
- Database technology: sqlite, CoreData, .plist, and UserDefaults.
- Local Notification implementation.
- Familiar with Localization.
- Find bugs and errors via Instrument tools and debugging.
- Good problem solving skill to find solutions through self-study and research.
- Detecting and correcting memory usage issues as well as optimizing code for application performance.

CARRIER OBJECTIVE

- I desire a challenging job assignment in IT sector, which shall provide an ample scope for self-development and knowledge enhancement coupled with work satisfaction.
- To apply the concepts and methods learned during my studies at my work place and to grow in the field so I can maintain present knowledge and prosper new heights.

ACADEMIC QUALIFICATION

Examination	Institution & Board	Month/Year	% Marks
SSC(X TH)	Gujarat secondary board Ahmedabad	March-2008	81.40%
HSC(XII TH)	Gujarat secondary board Ahmedabad	March-2010	67.85%
B.E.(C.E.)	S.V.B.I.T Engineering College, Ghandhinagar	June-2014	CPI:6.92 CGPA:7.32

PROFESSIONAL EXPERIENCE

Company Name : Esprit Solutions Pvt Ltd., Ahmedabad.

Designation : Jr. iOS developer .
