Professional Qualifications

Diploma in IT Professional from Oxford Software Institute, New Delhi in 2002.
M.Tech (Atmospheric Sc and Technology), from IIT Kharagpur in 2001, 7.1

Area of Interest:

Web applications using Java, jsf, and MySQL.

Personal Details

Date of Birth	January 10, 1975
Sex	Male
Nationality	Indian
Address	<u>Govindpur, Shivrajpur, Kanpur-209205, UP, India</u>
Languages Known	English, Hindi
Father's Name	S. Narayan

Working Experience (From July 2012 TO December 2017)

As a team member I am actively involved in the analysis and design of the project. During the subsequent phase I had developed many modules in Brihaspati LMS Software and Payroll, Staff Information System developed at IITK.

1. Project: Development of Attendance Module for Payroll System.

Technology: JSF, JAVA, MySQL, hibernate, Jasper, Netbeans 7.4. Tomcat 6.

Description: Attendance module has been developed for maintains the record of attendance of employee and generates the report. Institute Admin can upload the attendance in csv file format, and can add one by one. Institute admin can generate the report of attendance in monthly basis, individual basis and annual basis.

2. Project: Development of Forgot Password module for Payroll System.

Technology: JSF, JAVA, HIBERNATE, MYSQL

Description: Forgot Password module has been developed for reset the user password in PayrollSys. Whenever user forgot password then open login page and click on Forgot Password link, a new page for reset password will be open, now put your email id (userid) and click on get new password, a password reset link mail goes to your emailid. Now open that mail and click on password reset link, a password reset page will be open, now user can put new password and click on submit button.

3. Project: Development of Leave Management module for Payroll System.

Technology: JSF, JAVA, HIBERNATE, MYSQL

Description: Leave Management module has been developed for employee can apply for leave. Employee can check the status of leave and also can view available leave type. Institute admin can update the leave request.
