EXPERIENCE

GOOLEAN TECHNOLOGIES | ANDROID DEVELOPER

August 2020 - Present | Gurgaon

- In my current position, I am working on building/enhancing android applications for different business needs.
- I have been involved in building customer and merchant apps which helps you explore, find, call and navigate to the available Street Hawkers for your favorite items .
Link: Merchant Sales Link: Merchant App
- As a solo developer, I am responsible for designing, developing and testing the application. This has given me the opportunity to participate in all the phases of SDLC

SENDERBESTGIFT.COM | ANDROID DEVELOPER

Oct 2018 - August 2020 | Gurgaon

- In my current position, I am working on building an end to end android application that will enable users to order gifts for their loved ones seamlessly.
- I am also responsible for developing and maintaining the ordering website and order tracking module. Link:
