BECIL CAREER
BECIL

Dear Mr. Becil Career

I am very interested in this position with BECIL as BUSINESS ANALYST , and believe that my education and employment background are appropriate for the position.

During my tenure at CDAC NOIDA , I have noticed my growing interest in Operations . Last summer, I interned at the NTPC at Faridabad Haryana. My position entailed

- ▶ The Analysis of the current study is to understand the concept of CONTROL AND INSTRUMENTATION SYSTEM in NTPC.
- ▶ Analysed the relationship among grid disturbance, grid failure and automation system in NTPC.
- ▶ Analyzed the operation of handling grid failure in NTPC.

and slideshows publicizing the success of the Companys' Automation System . I was able to utilize my skills to assist the organization in their goal to generate Electricity.

I previously did various Analytical Projects on COFFEE Manufacturing Process, while maintaining Quality of Coffee successively conducting various surveys and interviews.

I previously did numerous Analytical Business Projects on Marketing to widen my knowledge horizon .

I believe that my experiences in Business Analysis in Software , Sap , Marketing and Operations , management and interpersonal skills make me a prime candidate for this position. I am a diligent worker, and passionate about my work. I will be a valuable asset to your company and will use this as an opportunity to grow and further the development of my operational skill set.

Thank you very much for considering my application for candidacy. I will follow up within a week to confirm that all of my materials were received and hopefully set up an interview . I am ready to be relocated in Noida.
Best Regards,

SHASHANK CHANDRA
