CAREER OBJECTIVE

To work with an organization that offers challenging opportunities to enhance my knowledge, skills & expertise allowing me to contribute towards organizational goals.

ABOUT

I'm a Computer Science Graduate and a Graphic Designer.

I wish to explore technical forte to pursue a challenging career in Graphic Design & IT Sector, thus utilizing my skill towards the growth of the organization.

I have knowledge of various Adobe Software tools like Photoshop, Illustrator, etc.

I have also pursued a Graphic Design Diploma Course at Shaw Academy & currently learning UI/UX Design (Adobe Xd & Figma).
