---

A highly motivated individual worked at different levels. Gained experience at the field's personnel and resource management skills (**oil and gas** sector) as well as analytical and reporting skills (**cyber security** and **forensics**).

Looking forward to enhance my professional skills in a dynamic workplace, to explore new technologies and implement them for the betterment of the organization.

## TECHNICAL SKILLS

---

<i>Microsoft Office Tools</i>	<b>MS Word, Excel, PowerPoint &amp; Access</b>
<i>Forensic Analysis Tools</i>	<b>WinHex, Autopsy, Magnet Axiom, R-Studio , OSForensics, MOBILedit &amp; FTK imager</b>
<i>Social Media Tools</i>	<b>Hootsuite, Sprout Social, Zoho CRM &amp; Salesforce CRM</b>
<i>Designing &amp; Editing Tools</i>	<b>Adobe Photoshop, Illustrator, DaVinci Resolve, Auto Desk Inventor, DS Solid Works &amp; PTC Creo</b>

## KEY SKILLS & ACHIEVEMENTS

---

<i>Change Management</i>	Restructured the way foremen behave with junior employees at Grey Wolf Drilling International from an autocratic style to a mentoring style.
<i>Performance Management</i>	Was selected by the supervisors to mentor new employees both while working as a Cyber analyst as well as a foreman.

## PROFESSIONAL EXPERIENCE

---

### **Bandish Studios, Pune, India**

June 2021-Present

#### *Sales & Marketing*

- Generating new **leads**.
- Creating **reports & emailers** to new potential **clients**
- Handling the **analytics & social media** outputs from the creative team.
- Motivating and handling a team of 5 members.
- Performed appropriate market research & analyzed current trends to be incorporated in Social Media.
- Worked & managed new marketing plans, plan of action & budget optimization.

## Cyber Security Corporation, Pune, India

October 2020 – April 2021

### *Cyber Analyst Trainee*

- Reporting to the Senior Cybersecurity Expert.
- **Analyzing digital evidence** on laptops and mobile devices using cyber forensic software and methodology.
- Prepared **cyber forensic investigation** report for clients on completion of their case.
- Maintained good working repo with authorities (Police, Lawyers, Judges & Cyber Experts) to gain knowledge & understanding on any given case.
- Assisted in **training presentations** for law enforcement personnel and judicial officers. Learnt key aspects of digital evidence from both perspectives (prosecution and defense side).
- Was part of a small team of cyber experts & GST officers that took part in GST raids & gathered digital evidence.

## Grey Wolf Drilling International, Kuwait

March 2017 – October 2020

### *Roustabout*

- Reported to Assistant Driller
- **Managed** 6 junior personnel ensuring that all tasks on the drilling rig were executed in accordance with the **standard operating procedures**, and adherence to safety standards and on time.
- Supervised the **maintenance** / painting of the rig's tools and equipment.
- **Mentored, guided and counselled** new employees on the company policy and work methods.
- Reporting of all unsafe activities, situations and potential hazards
- Rigs that I worked on during my time of tenure was rated ISO 9001,14001 and OHSAS 18001
- Was a part of the drilling team that had "Zero Incidents" for 1095 continuous days & were awarded "The Safest Rig in Kuwait".
  - During this time reported unsafe actions while performing a rig maintenance.
  - Informed the supervisor of leaks and damages that occurred during/while the rig was being relocated since it could cause a major incident/accident.
  - Due to this key performance was promoted to **lead foreman**. (December 2019 – October 2020)

## OTHER WORK EXPERIENCE

---

### Akshay Concepts (Affordable Housing), Pune, India

- Presently working on **marketing and sales** of ready possession flats.
- Worked on **logistics & research** of construction items on my field break.
- Able to successfully make use of my **project management** skills & digital marketing enthusiasm to bring in clients and customers for the constructions.

*Intern, DSA Quality Checker*

- Reported to the Senior Line Production Manager.
- Worked with **Quality Assurance** on the **Final production line**, to ensure automobiles had no defects/flaws on leaving the final production line.
- Successfully worked on a project given by the supervisor to troubleshoot Tata Zest vehicles for technical defects.
- Performed regulatory **troubleshooting inspection** on other variants automobiles that needed to be cross-checked after being driven in the yard.

**Free-time Activity (Teaching), Malaysia & India**

- Prepared & coached students for CBSE, NCERT and ICSE board examination in **Science and Mathematics** (Grade 10 & 12), achieving excellent results.
- Coached **slow learners** (normal & dyslexic students), both one on one and online with a positive and effective environment.
- Scheduled, planned & conducted notes/study plan /exam papers for the students.
- It was an opportunity to find the **hidden talent of children** and that was my greatest achievement to see the students grow in confidence, were able to understand the basic concepts, climb to new level of understanding and hold a promise for their future.
