Accomplishments

1. Indian Institute of Remote Sensing | 1 Week(s) â€”

This Internship was very helpful in remote sensing. I came to know about how to process shape file and Satellite images using Arc GIS and ERDAS Imagine.

2. Indian Institute of Remote Sensing | 1 Day(s) â€”

Lunar remote sensing images are mainly composed of multi and hyper spectral datasets in the visible VIS near infrared NIR and shortwave infrared SWIR which are sensitive to the mineralogical composition of the lunar surface because of the spectrally diagnostic absorption features of major minerals plagioclase and different glasses on the Moon.

3. Indian Institute of Remote Sensing | 1 Day(s) â€”

In this Workshop i came to learn about how to behave while disaster like flood and how to mark Flood Prone Areas on Map while using Arc GIS and ERDAS Imagine.

4. National Institute of Disaster Management | 1 Day(s) â€”

In this Workshop I came to learn how to respond while Heat wave and Fire

5. National Institute of Disaster Management | 1 Day(s) â€”

During Pandemic Time Every one was Frustrated and Mentally Disturb so this one day Workshop gave me immense idea about mental peace and how to behave in Crucial Time.
