PROJECTS

[Generic Automatic Vision Inspection System](#) –
Our Idea To Develop a Generic(Basic) Automation Vision Inspection System Which Can inspect our final Industrial sample and perform **object identification/detection, dimension detection, OCR**, variation analysis from an ideal sample.

[Senti Speaker (Text to Speak to Text | NLP)](#)–
Here can add audio speech which is further saved in a text file & then corrects its spells & grammar a little bit. Eventually, after this, **it performs sentiment analysis** on that and comes up with a Graphical representation of your sentiment analysis result.

[Food Blog Backend](#) –
created a backend that will allow us to **populate an SQLite3 database**. And how to deal with the primary key auto-increment and how to use foreign keys to create. relationships between the tables. Learn how to deal with many-to-many relations. Work with **SQL queries and database cursor methods**.

EXPERIENCE (Internship/Training)

TwoWaits, Online — *Internship,* Jul 2021 - Aug 2021
DataSci. & Machine Learning scholar internship

Coursera, Online — *Trainee,* Apr 2020 - May 2020
AWS With Machine Learning.

Coding Elements, Delhi — *Trainee,* Jun 2019 - Aug 2019
Machine Learning with Python.

Coding Elements, Delhi — *Trainee,* Jun 2018 - Aug 2018
Core Python With Data Science & Web Development.

SKILLS
Language:
Python, C, C++, SQL

Database:
MySQL, **SQLite3**, AWS

Framework, Libraries & tools:
Pandas, Numpy, Matplotlib, Scikit-Learn, TensorFlow, Keras, Selenium, Django, Flask

EDUCATION
B.M Institute Of Engineering & Technology, Haryana
Bachelor of Technology — *Computer Science & Engineering,* (2017 - 2021)
Percentage: [69.8%](#)

K.V.Sainik Vihar, XII
CBSE Board— *Non-Medical+Comp Sci.* 2017
Percentage: 69.9%

K.V.Sainik Vihar, X
CBSE Board— *Non-Medical+Comp Sci.* 2015
Percentage: 72.2%

Achievements & Responsibilities
1. Active member at college's tech society– hash init.
2. One of the **founders of a writer's society – conciseinks**
3. **Smart India hackathon** - regional level
4. Participated in **hackcbs**
5. [Tech Blogs](#)
